VJTI ADMISSION PROCESS & CAP ROUNDS GUIDE 2025-26

1. Overview of Common Admission Process (CAP)

The admission to VJTI Mumbai for Undergraduate (B.Tech), Postgraduate (M.Tech), and Diploma courses is conducted through the Centralized Admission Process (CAP) administered by the State Common Entrance Test Cell (CET Cell), Maharashtra.

2. Step-by-Step Admission Stages

Stage 1: Online Registration and Documents Upload

- Candidates must register on the official CET Cell website.
- Scanned copies of original documents (Marksheets, Entrance Scores, Category Certificates) must be uploaded.

Stage 2: Document Verification (E-Scrutiny or Physical)

- Candidates choose between E-Scrutiny (online) or Physical Scrutiny at designated Facilitation Centers (FC).
- Only verified candidates are included in the Provisional and Final Merit Lists.

Stage 3: Filling and Confirmation of Option Forms

- Candidates fill in their choice of colleges and branches in order of preference.
- **Pro Tip:** Always list VJTI Computer Engineering/IT as top preferences if you have a high percentile.
- Option forms must be "Confirmed" by the candidate to be considered for allotment.

Stage 4: Seat Allotment (CAP Rounds I, II, and III)

- Allotment is based on Merit Rank, Category, and Preference.
- If a seat is allotted, candidates must log in to "Self-Verify" the allotment.

3. Seat Acceptance Options (Freeze, Float, Betterment)

Upon allotment, a candidate must choose one of the following:

- **Auto-Freeze:** If the first preference is allotted, it is automatically frozen. The candidate must pay the seat acceptance fee and report to the institute.
- **Freeze:** If a candidate is satisfied with the allotted seat (even if it wasn't preference #1) and does not want to participate in further rounds.
- **Betterment (Float):** Candidate accepts the current seat (by paying the fee) but chooses

to participate in the next round for a higher preference.

4. Reporting to VJTI (Final Step)

Once a seat is "Frozen" or a final allotment is made in CAP Round III:

1. **Reporting Window:** Usually 3-4 days after the allotment list is published.
2. **Fee Payment:** The balance tuition fee must be paid to VJTI (via Demand Draft or Online Portal).
3. **Physical Verification:** Submit original documents and two sets of photocopies at the VJTI Admission Cell.
4. **Confirmation:** The institute issues an "Admission Confirmation Letter" printed from the CET Cell portal.

5. Typical Timeline (Tentative)

- **Registration:** June – July
- **Merit List Publication:** Late July
- **CAP Round I Allotment:** Early August
- **CAP Round II Allotment:** Mid August
- **CAP Round III Allotment:** Late August
- **Commencement of Classes:** September 1st Week
- **Cut-off Date for All Admissions:** September Mid

Note: These timelines and procedures are subject to change based on the official notifications by the State CET Cell, Maharashtra. Students are advised to check the VJTI official website (vjti.ac.in) frequently during the admission season.
