VJTI MUMBAI: ACADEMIC ATTENDANCE POLICY 2025-26

As per the academic regulations of VJTI (Autonomous), every student is expected to maintain regular attendance in all scheduled lectures, tutorials, and practical sessions.

1. The 75% Mandatory Rule

- **Requirement:** A minimum of **75% attendance** is mandatory in each individual subject (Theory and Practical separately) to be eligible to appear for the Semester End Examination (ESE).
- **Calculation:** Attendance is calculated from the date of commencement of classes until the last instructional day of the semester.

2. Attendance Defaults & Debarment

- **Warning List:** Departments publish a "provisional debarred list" one month before the exams.
- **Final Debarment:** Students with attendance below 75% without valid justification will be **Debarred** from appearing in the ESE for that specific course.
- **Repeat Course:** Debarred students must re-register for the course in a subsequent semester or during the summer term (if offered).

3. Condonation of Attendance (Medical/Special Cases)

The institute may consider condoning a shortage of attendance up to 10% (i.e., allowing a minimum of 65%) under the following circumstances:

- **Medical Grounds:** Serious illness or hospitalization (Original Medical Certificate and fitness certificate required).
- **Institutional Representation:** Participation in Zonal/National level sports, technical competitions (like Technovanza), or cultural events (like Pratibimb) as a representative of VJTI.
- **Procedure:** Applications for condonation must be submitted to the Head of the Department (HOD) within 7 days of returning to college.

4. Practical & Laboratory Attendance

- 100% attendance is expected in laboratory sessions.
- Missing a practical session may result in a loss of "Term Work" (TW) marks, which are essential for passing the subject.

Advice to Students: Use the Student Portal regularly to track your attendance. If your

attendance drops below 80%, consult your Faculty Advisor immediately.
