VJTI ADMISSION CANCELLATION & REFUND POLICY 2025-26

Candidates who have confirmed their admission and later wish to cancel are eligible for a refund based on the timeline of cancellation as per the State CET Cell and DTE Maharashtra guidelines.

1. Cancellation Process

1. **Online Request:** The candidate must first initiate the cancellation request through their CET Cell login portal.
2. **Physical Application:** After the online request, the candidate must submit a written application for cancellation at the VJTI Admission Cell.
3. **Document Return:** Upon approval, the institute will return the original documents submitted during admission.

2. Refund Calculation Rules

| **Timeline of Cancellation** | **Retention / Deduction Amount** |

| Before the cutoff date of admission | ₹1,000 (Processing Fee) |

| After the cutoff date of admission | No Refund (except for Caution Money/Deposits) |

Important Clauses:

- **The Cutoff Date:** The official cutoff date for all admissions is declared by the State CET Cell (usually mid-September).
- **Admission Fees:** Only the tuition and development fees are refundable after deducting the processing fee, provided the seat is filled by another candidate in the subsequent rounds.
- **Institutional Vacancy:** If a student cancels after the cutoff date, they are liable to pay the full course fee if the seat remains vacant for the remainder of the 4-year duration.

3. Refund of Deposits

Caution Money and Library Deposits are refundable to the student upon successful completion of the course or at the time of cancellation, provided there are no outstanding dues or library fines.

4. Timeline for Refund Processing

Refunds are typically processed via NEFT/RTGS to the student's bank account within 30 to 45

working days after the final cutoff date of admission.

Warning: Students who fail to report for physical document verification after "Freezing" a seat may lose their seat acceptance fee and eligibility for a refund.
